Such notice shall describe the nuisance and recommended procedures for its abatement, and shall further state that

unless the owner shall abate the nuisance in the manner specified in the notice, or shall appear at the hearing to show that such nuisance does not exist or does not endanger the health of elm trees in the Village, the Forester shall cause the abatement thereof at the expense of the property served (or abutting property). If the owner cannot be found, such notice shall be given by publication in a newspaper of general circulation in the Village.

  - (ii) Upon receiving the Forester's report, the Village Board shall hold a public hearing on such proposed charges, giving at least fourteen (14) days advance notice of the time, place and purpose of such hearing to interested persons by publication in a newspaper of general circulation in the Village and by mail to the owner of each property proposed to be charged. Each property owner shall be notified of the amount proposed to be assessed against his premises and the work for which such charge is being made.

No action shall be taken under this section to abate a public nuisance unless the officer shall have inspected or caused to be inspected the premises where the nuisance is alleged to exist and have satisfied himself that nuisance does in fact exist.

#### (2) SUMMARY ABATEMENT.

If the inspecting officer shall determine that a public nuisance exists within the Village and that there is great and immediate danger to the public health, safety, peace, morals or
